SECTION 3
DISABILITY BENEFITS

Disability Payments will be provided if You furnish Proof of Loss that You are Disabled and under the Regular and Appropriate Care of a Physician. Disability must:

(a) be due to a covered Injury or Sickness; and
(b) begin while Your coverage is in force.

Disability Payments will be provided for each period You remain Disabled due to a covered Disability and under the Regular and Appropriate Care of a Physician which continues beyond the Elimination Period.

No Disability Payment will be provided for any period in which You are not under the Regular and Appropriate Care of a Physician.

Disability Payments will be provided for only one Disability when:

(a) more than one Disability exists at the same time; or
(b) a Disability results from two or more causes.

If any Disability Payment is to be paid for less than a full month, the amount of benefit will be reduced pro rata on the basis that one day's benefit equals one-thirtieth (1/30) the Disability Benefit.

Disability will be considered to have begun on the date You were seen and treated by a Physician following continuous cessation of work.

SUCCESSIVE DISABILITIES are those Disabilities which result from the same or related causes for which benefits are payable under the Policy and will be considered one period of Disability unless the Disabilities are separated by Your return to:

(a) Active Employment; or
(b) any other Gainful Occupation,

for at least 6 consecutive months. A Disability due to a different or unrelated cause will be considered a new period of Disability.

Any Disability which begins after termination of coverage:

(a) will not be considered a Successive Disability; and
(b) will not be covered under the Policy.

BEN

IF YOU ARE DISABLED DUE TO A COVERED DISABILITY AND NOT WORKING

Your Disability Payment will be the Disability Benefit described in the Schedule less any Deductible Sources of Income You receive or are entitled to receive.

BNMA

DEDUCTIBLE SOURCES OF INCOME

Deductible Sources of Income will include all of the following:

(a) Other group disability income.
(b) Governmental or other retirement system, whether due to disability, normal retirement or voluntary election of retirement benefits.
(c) United States Social Security Act or similar plan or act, including any amounts due Your dependent(s) on account of Your Disability.
(d) State Disability.
(e) Unemployment compensation.

(f) Workers' Compensation law, occupational disease law or any similar act or law.

In the case of other group disability insurance which provides for a reduction of benefits payable under this group disability income policy, Our liability under this group disability income policy shall equal its pro rata share of the Disability Payment. The pro rata share shall be determined by dividing the Disability Payment by the total of the monthly benefit payable under all group disability income policies under which You are entitled to receive benefits and multiplying that result by the Disability Payment.

If We determine that You may qualify for benefits under items (b), (c), or (f) listed above, We may estimate the amount of benefits You may be entitled to receive.

Your Disability Payment will not be reduced by the estimated amount if You:

(a) apply for benefits under items (b), (c), or (f) listed above and submit proof of application to Us; and
(b) appeal any denial received to all administrative levels We feel are necessary; and,
(c) sign the reimbursement agreement form, which states You promise to repay any overpayment caused by receipt of benefits from a Deductible Source of Income for a period previously paid by Us at the time the benefits are received.

If Your Disability Payment has been reduced by an estimated amount, We will adjust the Disability Payment when proof is received:

(a) of the amount awarded; or
(b) that benefits have been denied and all appeals We feel necessary have been completed.

REIMBURSEMENT OF OVERPAYMENT: If You receive a lump sum payment from a Deductible Source of Income for a period previously paid by Us, any resulting overpayment made by Us will be due to Us on a lump sum basis.

LUMP SUM RETIREMENT WITHDRAWALS: If You have the option of taking retirement benefits on a monthly basis but choose to receive retirement benefits on a lump sum basis or withdraw Your retirement contributions, We will assume You are receiving retirement benefits based upon the standard monthly retirement plan benefit available prior to lump sum withdrawal.

INCREASES OF INCOME DUE TO COST OF LIVING ADJUSTMENTS: The Disability Payment will not be reduced due to a cost of living increase if the increase takes effect after the onset of Disability and while benefits are payable under the Policy.

MINIMUM DISABILITY BENEFIT: The Disability Payment payable will be no less than the Minimum Disability Benefit amount indicated in the Schedule.

DSI

IF YOU ARE DISABLED DUE TO A COVERED DISABILITY AND WORKING

We will provide a Disability Payment if You are Disabled and Your monthly Disability Earnings, if any, are less than 20% of Your Monthly Compensation due to the same Sickness or Injury.

If You are Disabled and Your Disability Earnings are greater than 20% of Your Monthly Compensation due to the same Sickness or Injury, We will figure Your payment as follows:

During the first 24 months of payments, while Disabled and working, Your Disability Payment will not be reduced as long as the Disability Earnings plus the gross Disability Benefit does not exceed 80% of Your Monthly Compensation.

If the Disability Earnings plus the gross Disability Benefit exceeds 80% of Your Monthly Compensation, the Disability Payment will be reduced by the amount exceeding 80% of Your Monthly Compensation.

After 24 months of payments, while Disabled and working, You will receive payments based on the percentage of Monthly Compensation You are losing due to Your Disability computed as follows:

(a) subtract Your Disability Earnings from Your Monthly Compensation;
(b) divide the answer in item (a) by Your Monthly Compensation. This is Your percentage of lost earnings; and
(c) multiply Your Disability Payment by the answer in item (b).

We will stop payments and Your claim will end, if at any time You are no longer Disabled or if Your Disability Earnings exceed 80% of Your Monthly Compensation.

DISABILITY EARNINGS means the gross monthly earnings You receive while Disabled and working.

The Elimination Period cannot be satisfied with days You are Disabled and working.

BENW1

The Family Care Benefit:

(a) will not exceed the expenses incurred for the care of eligible Family Members; and
(b) will be reduced by the amount exceeding 100% of Your Monthly Compensation if the total of Your Disability Earnings, Your gross Disability Benefit, and the Family Care Benefit exceed 100% of Your Monthly Compensation.

An eligible Family Member is:

(a) Your child (natural, step, or adopted) living in Your household and under age 13; or
(b) Your family member who is:

    (1) living in Your household;
    (2) dependent upon You for support; and
    (3) in need of supervision or assistance due to physical or mental incapacity.

(b) You were receiving or were entitled to receive Disability Payments under the Policy.

ELIGIBLE SURVIVOR means Your spouse, if living, otherwise Your dependent children. Dependent children must be under age 25 and unmarried the day You die. The term dependent children includes a stepchild, adopted child, and foster child. A stepchild or foster child must be dependent on You for support and maintenance.

ACCELERATED SURVIVOR BENEFIT

You may elect to receive the Survivor Benefit prior to Your death if:

(a) You have a Terminal Illness; and
(b) You are receiving Disability Payments.

TERMINAL ILLNESS means a medical condition that with reasonable medical certainty is expected to result in Your death within 12 months or less.

We will pay You the Accelerated Survivor Benefit if You:

NOTICE OF PROTECTION PROVIDED BY
CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association ("the Association"). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers' care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations or the rights or obligations of the Association.

COVERAGE

- **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

- **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

- **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

- Life Insurance
  80% of death benefits but not to exceed $300,000
  80% of cash surrender or withdrawal values but not to exceed $100,000

- Annuities and Structured Settlement Annuities
  80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed $250,000

The maximum amount of protection provided by the Association to an individual, for all life insurance, annuities and structured settlement annuities is $300,000, regardless of the number of policies or contracts covering the individual.

- **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of July 1, 2016, is $546,741. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer. Changes to this amount will be posted on the Association’s website www.califega.org.

COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare Part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1067.02(b)(2)(C)
